

Information for the Specialised Trade

CORVARA – the New Generation of Boxes with the Quick Fitting System

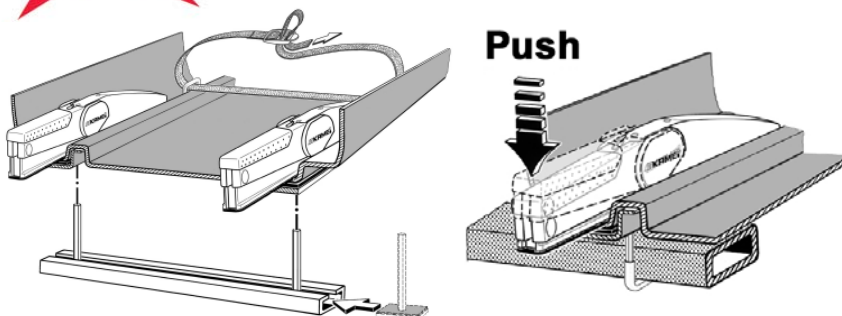

Holidays become even more attractive with the latest generation of Corvara roof boxes: inspired by contemporary car design and available in two colours, all the models are impressively spacious. All Corvara boxes are available with opening on the left or right-hand side.

After all, not only in skiing is good technique the recipe for success!

- Practical quick fitting system
- Central locking
- Key can only be removed when the box is locked
- 6-year warranty
- City crash tested

NEW!

KAMEI quick fitting system:

- + simple, secure attachment with virtually effortless pumping motion – no bolts to tighten
- + quick release for box removal by disengaging the lever
- + new mounting system means no space is wasted inside the box
- + plus all the features of the proven sliding mount
